# ABOUT US

The Elegance is an online gift shop which provides gifts to its retail customers and corporate organizations. In our corporate segment, we provide corporate gifts for employees when firms onboard new staff in their organization, appreciate an employee on good performance, say farewell to long serving employees etc. We also provide corporate gifts for employees on several occasions like New Years', Women's Day, Ramadan, Eid, Diwali, Christmas and Holi etc. Celebrate your company's anniversary, Independence Day, Pakistan day and other events with our corporate gifts.

## OUR VISION

“ To be the leading online stores for customized gifts, Merchandise and souvenirs globally. ”

## OUR MISSION

“ To provide Customers customized, innovative and budget-friendly products which add value to their lives. ”

# Gift Advisory

The Elegance provides gift advisory services for customized and tailored made giveaways according to the requirements of our clients.

## No Minimum Quantity

Orders with quantity less than 10 are also being catered and advised keeping in mind their budget constrains.

## Sampling Services

We offer returnable and paid sampling services nationwide before order confirmation depending on the value of product that is inquired for the samples.

## Designing Solutions

Amazing product designing is made possible by the collaborative contribution and consensus of market experts on digital design solutions. Our specialized designers will prepare a digital mockup for review and feedback.

## Printing Solutions

After the approval of the samples of corporate merchandise from the client, our team will then start preparing the production process. The elegance specializes in Digital, heat transfer, ultraviolet, sublimation, and screen printing. We also specialize in Engraving and embroidery.

## Customized Packaging

As a gifting company, we pay special attention to our packing, corporate gift is not only for visual appeal. In fact, the total packaging from containers to decorations is aimed to provide safety to the corporate giveaway. Our in-house packaging function produces premium quality packaging at reasonable rates.

## End to End Solutions

The elegance will provides solutions from the execution of the order to customer satisfaction.

## Nationwide Delivery

Our nationwide delivery makes it easier for companies and organizations across Pakistan to receive their packages with special care and just-in-time delivery.
